NMN Resveratrol Dimer Plus

PRODUCT INFORMATION

Developed with focus on activating the body's defenses with antibacterial and anti-acid power, the NMN Resveratrol Dimer Plus product is especially beneficial for those who care to refresh and optimize their sense of strength and daily vitality.

The dimer type of resveratrol is rarely found in nature and this is what makes extract of Melinjo seeds that are cultivated in Indonesia so special. Melinjo has been revered as a "Tree of Life" in Indonesia over many generations. Its seeds are rich in nutrients such as carbohydrates, proteins, flavonoids and resveratrol. The Melinjo tree's association

with longevity in Indonesia may be attributable in part to resveratrol dimer, an extract of increasing focus in research and development.

Lead a lively life with "NMN+ Resveratrol Dimer Plus"!

CONTENTS

19.74g (329 mg x 60 capsules)

Made in Japan

NUTRITION INFORMATION

- Please keep out of the reach of young children.

- Please close the cap tightly after use and store the product in a cool, dark place.

- Once opened, please use within one or two months.

NMN Java Ginger Plus

PRODUCT INFORMATION

Java ginger has long been associated with prevention of cognitive decline. It is locally known as “bangre” and its cultivation by traditional and natural techniques takes a minimum of two years before harvest. Developed with focus on activating brain power, the NMN+ Java Ginger Plus product is especially for those who care to increase motivation, mental focus, and clarity.

Brighten your day with "NMN+ Java Ginger Plus"!
