## Product Authenticity Sticker Notice

*Introducing the “Hidden Tag” system to prove the authenticity of*

*MIRAILAB BIOSCIENCE products*

The sticker pictured above now appears on all new MIRAILAB BIOSCIENCE products. As there are many counterfeiters with very sophisticated techniques for imitating authentic packaging and products, we are urging customers to use the scanning function of the “Hidden Tag” mobile app to confirm that your purchase is authentic.

We sincerely appreciate your vigilance in protecting your health and safety by following the steps described [here](#).
